

## Custom-made Cable Assemblies & Looms

---

Harnessing solutions

## Custom-made Cable Assemblies & Looms

- Built to your specific requirements
- Supplied to you under a single part number
- Top quality, competitively priced solutions
- Can accommodate certified wiring or components (eg. UL, TUV etc.)

However simple or complex the cable solution you require, built entirely to your exact specification, prepared the way you want it, IMO is your supplier of choice!

We offer customers prepared cables, cable assemblies and cable looms, with or without crimps, terminations & housings, with no volume too high. We extrude and produce many common types of certified or non-certified equipment cable, in a selection of materials including PVC, Teflon™ and silicone.

**PROTOTYPING**

**CONSULTATION**

Whether you need a complex assembly or simple terminated wire, we can work from a drawing, a formal design or a sample to start the process.

Having reviewed your requirements, pricing and a design of our proposed solution is submitted to you. We remain on hand to make recommendations and discuss your feedback.

A prototype is submitted for your evaluation. Once again, we remain on hand to discuss your feedback and possible alterations that may or may not be required.

## Not Just For OEMs...

# IMO
